Extra note: Before our platform is 100% live if you are serious about adding a listed Crypto currency or ICO token(s) into your portfolio, you'll need to exercise caution! When investing in crypto currency, you should only risk as much as you're willing to lose. Continue to conduct your own research, monitor the Company and Token's growth and assess the asset or currency's weaknesses. Shrewd investment bolstered by thorough research could, in fact, also lead to immense returns .
